Overview of Golf Courses

Four fantastic rounds of golf await you on the Island of the Gods.

New Kuta Golf – <http://www.newkutagolf.com/>

The Links Challenge. Used for European and Asian Tour events, New Kuta is a true Championship Golf Course set on the coast with views to Uluwatu and Bali's surfing hotspots. Expect magnificent coastal views, terrific practice facilities, large Greens, undulating fairways, long Par 5's and many bunkers. Expansive Locker and Restaurant facilities combined with the quality of the Course itself combine to make a day at New Kuta one to cherish forever.

Bali National Golf – <http://www.balinational.com/>

Re-opened in 2015 after a complete re-development. Now touted as the best Course in Indonesia. Expect immaculate fairways, lightning fast Greens, flowers everywhere, water features and an elegant Club House. Don't miss the Island Green on the Par 3 17th. Bali National has already hosted an Asian Tour event and the Professionals loved its condition, variety of holes and oh so true Greens. Golf at its finest.

Bukit Pandawa Golf and Country Club – <http://www.bukitpandawagolf.com/>

The New Kid on the Block – opened in late 2016. Bukit Pandawa is set on Bali's Southern steep coastal cliffs with its holes beautifully integrated into the local terrain. Despite all holes being Par 3's, this gem of a Course is a first-class golfing challenge. It features holes of different lengths, waterfalls, big changes in elevation, some devilishly sloping Greens, water hazards and deep bunkers. The modern clubhouse and locker facilities are unequalled in style and quality.

Handara Golf and Resort – <https://www.handaragolfresort.com/>

Designed by the Australian firm of Harris Thomson Wolveridge & Associates it opened in 1972 and soon after was voted as one of the World's Top 50 Courses. Handara is totally unique in that it is set inside a massive extinct volcano crater and is surrounded by mountain tropical rainforest. Expect cool weather (bring a jumper), fast bent grass Greens, eye-popping tree & flower filled surroundings and a unique feeling of quietness and solitude. You won't want to leave this golfers heaven in the mountains.

Competition and Format

How are Participants Flighted?

For each days play you may choose 1 playing partner. The committee will join you with 2 other random players. Please advise us prior to arrival if you wish to nominate a playing partner.

Individual Stableford

The format of play at New Kuta Golf and Handara Golf & Resort during the Bali Golf Weeks is Individual Stableford.

Each participant receives their full Course Handicap allowance, i.e. an 18 handicap golfer will receive one stroke per hole.

The stableford points scoring is as follows: Bogey = 1 Point / Par = 2 Points / Birdie = 3 Points / Eagle = 4 Points / Albatross = 5 Points

PRIZES

Trophies will be awarded to the Winners on each day.

There are prizes for the 1st, 2nd, and 3rd place finishers on each day.

There are also prizes for the nearest the pin on 2 holes each day.

2 Person Texas Scramble

The format of play over the Bali National Golf Course during the Bali Golf Weeks is 2 Person Texas Scramble.

RULES:

1. Each team consists of two players.
2. Both players tee off at each hole.
3. The team then selects the best drive and marks the position (within 6 inches and not nearer the hole).
4. The other player then retrieves their ball.
5. The player whose ball has been chosen then plays his next shot first.
6. The remaining player then plays within six inches of the tee peg (not nearer the hole). Note! Golf balls shall be placed on the fairway and dropped if the chosen ball in play is in the rough or a hazard.
7. The above method of play is followed until the green is reached.
8. On the green the same method applies. The ball chosen is marked by a putter head length and players putt from the same spot in turn.
9. Each player must mark the ball after putting. Play continues from each chosen position until the ball is holed.
10. The score is the total number of shots from the chosen spots (including the tee shot). Note! If a player putts and misses but then inadvertently knocks the ball into the hole, then that score counts.
11. A minimum of seven tee shots per player are to be used.
12. The team handicap is calculated by adding the Course Handicaps of the 2 players and dividing by four (rounded to the nearest whole number).
13. At the end of the round the total for each hole is added together and the team handicap subtracted to give the total net score for the round. The winning team will be the one with the lowest score.
